

CIEL TEXTILE ECO-INDEX

Ciel Textile

The CIEL Textile Eco-Index is our internal rating system which assesses sustainability aspects of our products.

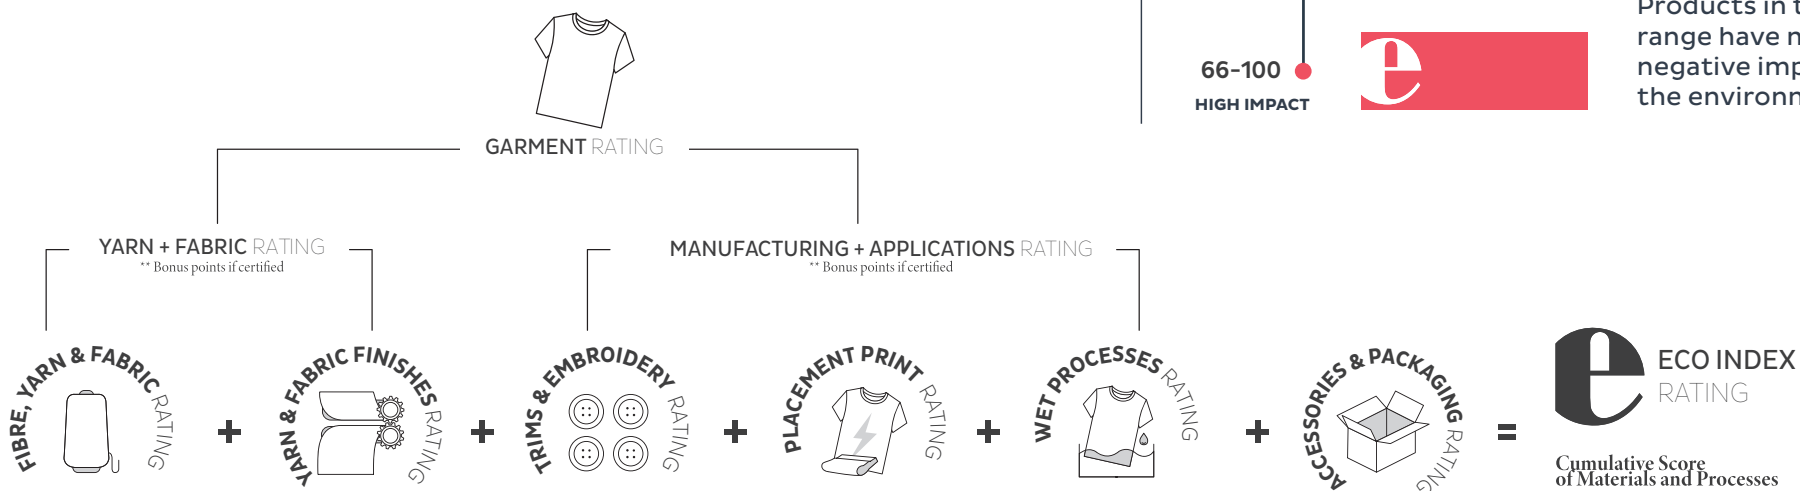

WHY ECO- INDEX ?

It allows us to assist and educate our creative teams designing responsible products and drive our clients to make the right choice.

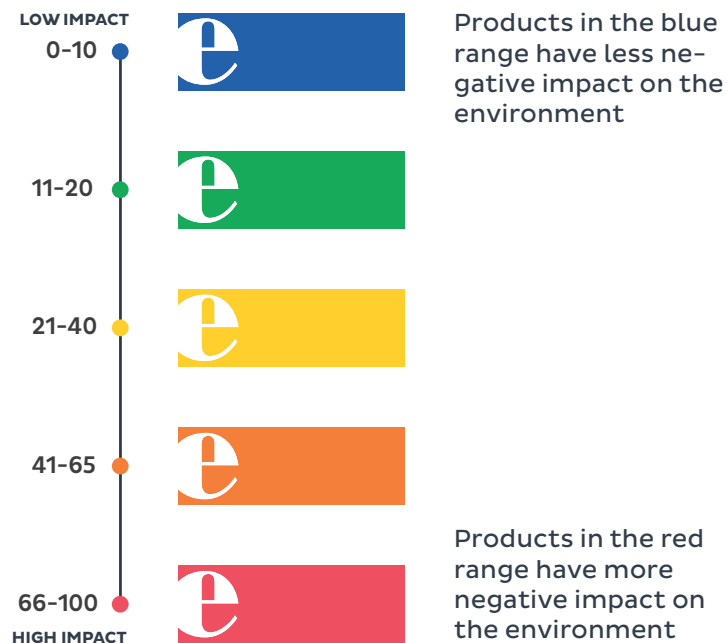

THE RATINGS ARE BASED ON :

- 01 Our Expertise
- 02 The different processes and their impact
- 03 Recognised accreditations (GOTS, Oeko-Tex)
- 04 HIGG Materials –Higg MSI, Higg FEM, Higg FSLM
